Mysore 17th February 1881.

My dear Sir,

As requested in your D. O. Note, I propose the following arrangements for the consideration of the Chief Commissioner, in connection with the Installation ceremonies at Head Quarters and throughout the District on the occasion of the Installation of His Highness the Maharaja at Mysore.

I abstain from making any proposals or provision in connection with illuminations or decorations of or in the Fort, the Palaces, the Chief Commissioner's residence, or the other Residency or Palace Houses to be occupied by guests on the occasion or the route from Mr Gordon's house to the several Palaces; or of the Doda Keray; Chamunde Hill &c. or of the Campo and grounds in connection with Troops the

supplies required by them, or for the largesses as usual to be distributed to them, the Police &c. or for the feeding &c. for natives of castes, [distribution of clothes to widows throughout the Province]. that will take place throughout the week at Mysore as Colonel Hay and Mr. Ananda Row have entertained these matters.

In order to save time and purchase materials, mat trees &c., I have advanced subject to future adjustment Rs 2,000 to the Municipal Vice President and Town Magistrate, Mr. Mahomed Ali K. B.

The list of persons throughout the District but excluding the Mysore town, who from position or otherwise may possibly be deemed worthy of receiving the honor of invitations is under preparation and will in due course be submitted.

The guests selected by the Chief

Commissioner should, I would suggest, receive "special" or "ordinary" invites.

Such as may be "Special" should be guests of the Maharajah during the whole of the installation proceedings and during their stay in Mysore should have every thing provided for their Comfort & be under the management of the Palace Assistant and his subordinates and should receive a pair of Vallies or Dupattics, Turbans or Head Rumals or Dotirs or Shawls according as they are Sudras, Bramins or Mahomedans. Such as may be "Ordinary" should only be invited to be present at the reading of the Proclamation at the Palace, for them a separate stand or quarter may be set apart and these should receive Pawn and Garlands before departure.

If the invitations to these "Special" and "Ordinary" guests be on different colored cards on being sent to them from the

the Chief Commissioner's Office direct through the Amildars, there would be no difficulty to the Palace officials on their arrival and presenting their cards assigning them the position intended. The arrangements at Mysore Head Quarters and the cost under each head are roughly estimated as follows; after full consideration by myself and Assistants ~~having~~ of expences &c at the time of the marriage as a guide:-

	Probable Estimate Rs
1st Temporary accommodation sheds at suitable localities about the town	1,000
2d Temporary Latrines — ditto	300
3d. Temporary Hospital and Cholera sheds &c.	200
4th. Increased Conservancy Establishment	200
5th. Increased Police Force	1,000
6th. Triumphal arches, illuminations of Public Buildings, Temples, Mosques ~~&c~~ line of procession ~~Fireworks &c~~	6000
7th For School Children's Fetes	300
carried forward	9,000

Brought forward—9,000

8th Barricades stands, unforeseen Contingencies ——— 1,000

For the town of Mysore—Total —— 10,000

With reference to the 5th head I would request that one European Inspectors and six Chief Constables and ~~fifty~~ native Constables with complement of officers may be detailed from the Bangalore Police force. I will supplement these from my District force, and if further necessary ~~Establishments~~ temporary Establishments.

With reference to the 6th head I would request as early as possible the proposed line of procession may be intimated as of course, on that line the illuminations and decorations will be more extensive than in other parts of the town. To celebrate the occasion throughout the district I propose as follows:

1 That special worship in all

religious institutions be ordered and special prayers for the prosperity of His Highness in all Temples, Mosques and Mutts morning Tasteek be offered up, the latter should give special feasts in honor of the occasion from their own funds.

2? The proclamation should be read by the Senior official present in front of the Taluk Cutcherry, at every Taluk Head Quarters and then carried in procession through one or more of the principal streets of the town - the flowers, sandal, and paun be distributed the Cost of this may be put down at about ——————— } Rs 250

3? At the principle Temples, Chutrums and temporary sheds at Taluk Head Quarters a general feasting should be provided on the day of reading Proclamation - Mugroy and Chutrum funds may bear a portion of the cost of this - the Taluk Cusba Kazi would provide for

the same for all Mahomedans visiting Taluk Head Quarters
Probable cost ——— 2,000

4th All Taluk Head Quarters Cutcherries, Temples and Mosques should be illuminated in connection with the worship and special prayers &c vide 1st head and sum for-wards Estimated to Cost ——— 1000

5th At all Hobly Head Quarters a general feasting of all Hindus and Mahomedans should be held and Proclamation read
Estimated to Cost ——— 3,000

6th Sugar (a Chittak) and pan and supari should be distributed to every house - estimated cost ——— 1,500

Amildars for this purpose will arrange with local merchants to deposit required quantity for a Hobly at Hobly Chouttry before the date and the Sheikdars will be answerable for making over to each village Patel

or respectable resident the supply for his village which would then be distributed in the village on the 17th March 1881-

7th School fetes including Govt and Rial schools to all school children both at Taluk and Hobly Head Quarters, as per 3rd and 5th heads, but only fruit and Sweat meats- Estimated to Cost — 250

Total for Taluks, Hoblies & Villages Rs 8000

I submit these proposals and estimates for what they are worth for yours and the Chief Commissioner's consideration and shall at once arrange to give effect to whatever instructions I may receive; but in the meantime shall be proceeding with Head Quarter arrangements, in anticipation of a formal sanction and allotment of funds.

I think the proposed arrangements are feasible, the estimates fairly reliable and the cost not heavy, as the State grant will be supplemented by Municipal, Muzroy and Local funds.

Dear Sir,

Bangalore District
Dy. Commissioner's Office
6th May 1881.

To

The Secretary to the
Dewan of Mysore

Sir,

Referring to Proceedings of the Chief Commissioner of Mysore, No 6729-37 Misc. 937 dated 22d February 1881, sanctioning a sum of Rupees 10,000/- for celebrating the Installation of His Highness the Maharaja of Mysore, of which 5000 Rs were to be contributed by the Town and Cantonment Municipalities, I have the honor to bring to your notice that the General meeting for allotting funds was held in the afternoon of the same day on which the Municipalities voted 5000/- and 2000 Rupees

respectively - The Committee therefore allotted 10,300 Rupees, and reserved the balance for unforeseen expenditure -

2. The order of Government received subsequently, however, limited Municipal contributions to 5000/- Rupees but as it was expected that there would be considerable recoveries from the sale of articles after the Fete the programme was not recast -

3. At the auction of materials, it was found that there was no demand for the Transparencies and Flags, which cost Rs 800, and therefore, they were not sold - Kerosine lamps and tumblers were stolen to a great extent, (7 persons were prosecuted and convicted before the Magistrate) and thus, the anticipated Returns fell off, and there is a sum of Rupees 1672-8-7 still due to the suppliers -

4. Permission is solicited to appropriate the above sum from the Pettah Municipal contributions. Or the sale of the flags and transparencies when a fitting opportunity offers, the proceeds will be credited to that fund.
